## Why Us

The Institute is a part of India's largest private-sector Shipping Company having a close association with the Maritime Industry.

The Institute has been assigned Grade A1 by the Director-General of Shipping, Government of India, being an outstanding Institute providing excellent infrastructure facilities.

The course is uniquely designed to combine classroom education with experiential learning using Simulation Techniques and on-the-job training on Live Engine, preparing young and dynamic minds for a professional career at sea.

100% Placement for on-board training records, well within the prescribed limit specified by D. G. Shipping, Govt. of India.

We advise viewing our Institute website [www.geinstitute.com](http://www.geinstitute.com) for the latest information about the Course.

## Career Prospects:

6 Months Pre-Sea Training (A residential Professional Course).

6 Months Onboard Training as Trainee Seaman

On Completion On Training, The candidate can be employed with any Shipping Company Internationally.
